DETAILED ACTION

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 105, 111, 112, and 117-121 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claim 105 improperly depends upon apparatus claim 97 in lieu of method claim 99. Claim 111 – the recital “a probe distal end” is vague as to whether it refers to the previously recited probe. Claim 112 - the recital “a probe distal end” is vague as to whether it refers to the previously recited probe and step “f)” is vague absent a step “e)” in claim 107. Claim 117 - steps “g)” and “h)” are vague absent steps “e)” and “f)” in claim 107.

Allowable Subject Matter

Claims 1-104, 106-110, 113-116, and 122-124 are allowed.

Claims 105, 111, 112, and 117-121 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action.

Priority

Applicant's priority claims to application no. 09/162,117 appears to be improper. The application does not have a common inventor. In addition, 09/162,117 was not copending with the instant application.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

Art Unit: 3739

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
